## ANNEX II – EXCEPTIONAL MEASURES FOR THE COVID-19 EMERGENCY

The European Commission's 2020 exceptional measures issued in response to the COVID-19 emergency are available for academic year 2020/2021.

For mobility academic year 2020/2021, in compliance with the provisions of the competent authorities in Portugal and abroad and the indications provided by the University, it is specified that mobility for traineeship can start following the scheduling of activities.

The University of Beira Interior is in constant contact with the competent authorities to monitor the development of the emergency and support exchange students in this difficult moment.

Before traveling to Portugal, find out about the measures adopted in our country and what constraints you may encounter. Visit the following pages frequently:

<https://www.portaldiplomatico.mne.gov.pt/en/>

<https://covid19.min-saude.pt/category/perguntas-frequentes/#>

If health emergency restrictions persist and do not allow the participant to complete their time abroad, the University of Beira Interior, in accordance with the hosting partner, reserves the right to cancel activities.
